

ABOUT TRINITY

Trinity Training and Development is a training and consulting company based in Austin, Texas. We specialize in leadership and team development skill-based processes designed to improve communication, collaboration, and employee performance. We offer a variety of nationally recognized assessments that support training objectives and drive behavior change.

We have provided training and consulting to companies in the US, Canada, the UK, Latin America, Norway, and Russia.

OUR APPROACH

We believe that the best way we can serve our clients is through developing a relationship where we partner together to craft solutions that meet their specific needs. We know that each company has unique outcomes they want to achieve. We take the time to understand those needs before customizing a solution. Our goal is sustainable behavioral change through blended learning that engages and inspires participants to grow and improve.
